Re: **Advice No. 2013-12**  
**Natural Gas Tariff Filing – Filed Electronically**

Dear Mr. King:

Pursuant to RCW 80.28.060 and WAC 480-80-101 and WAC 480-80-105(1)(c), please find enclosed for filing the following proposed revision to the WN U-2 Tariff for natural gas service of Puget Sound Energy, Inc. (the “Company” or “PSE”):

WN U-2 – (Natural Gas Tariff)  
1st Revision of Sheet No. 1141-A – Expedited Rate Filing Rate Adjustment (Continued)

The purpose of this filing is to make a housekeeping change to Schedule 141, Expedited Rate Filing Rate Adjustment. Rates for both Schedule 23 and Schedule 53 are identical and listed on the schedule; however Schedule 53 was mistakenly omitted from the heading. This filing includes Schedule 53, as was intended and documented in the filed work papers.

So this customer receives the rate reduction associated with Schedule 141 on his regularly scheduled statement this month, PSE is requesting less than statutory notice (“LSN”). Therefore, the Company respectfully requests that the Commission allow this tariff change to become effective on July 12, 2013, with less than statutory notice (“LSN”). The information required by WAC 480-80-122 is contained throughout this letter and on the attached LSN form provided by the Commission. Ken Johnson is authorized to issue tariff changes on behalf of the Company.

The tariff sheet described herein reflects an issue date of July 2, 2013, and an effective date of August 2, 2013. Posting and notice of the proposed tariff change, as required by law and the Commission’s rules and regulations, is being given to the public immediately prior to or coincident with the date of this transmittal letter, through web, telephone and mail access in accordance with WAC 480-90-193(1).

Please contact Julie Waltari at (425) 456-2945 for additional information about this filing. If you have any other questions please contact me at (425) 462-3495.
