Lauren McCloy, under penalty of perjury under the laws of the State of Washington, declares as follows:

1. I am employed by the Washington Utilities and Transportation Commission (Commission) as a Compliance Investigator in the Consumer Protection and Communications Section. As a Compliance Investigator, my responsibilities include conducting investigations regarding the business practices of regulated utility or transportation companies. As part of those duties, I investigate household goods carriers that may be operating without the required Commission permit.
2. Compliance Investigator Mathew Perkinson began an investigation into the activities of Geraldo Lima d/b/a Best Price Moving and Delivery aka Quick Moving and Delivery (Geraldo Lima) in November 2012 because he received an email from a permitted carrier containing advertisements indicating that the company was conducting household goods moves within the state of Washington.
3. On December 4, 2012, Mr. Perkinson sent a letter to Geraldo Lima, (1) outlining the licensing process for household goods movers, directing Geraldo Lima to (2) become licensed within a reasonable time, (3) cease unpermitted operations, and (4) outlining the consequences of operating as an unpermitted household goods mover in Washington state. Mr. Lima was required to respond or apply by December 18, 2012.
4. On December 4, 2012, Mathew Perkinson spoke to Mr. Lima's wife, informed her that her husband was operating illegally, and explained that he needed to remove the advertisements. Staff emailed the household goods permit application to glima35@gmail.com. Mrs. Lima notified Mr. Perkinson that she deleted the advertisements on www.craigslist.org.

5. In January 2013, Mathew Perkinson identified advertisements on [www.craigslist.org](http://www.craigslist.org) for two men and a truck, with "Lima" listed as the contact.<sup>1</sup> In February, 2013, Mr. Perkinson identified advertisements for household goods moving services on <http://bothell.olx.com> and [www.angieslist.com](http://www.angieslist.com), with Geraldo Lima listed as the contact.<sup>2</sup>
6. On February 20, 2013, Mathew Perkinson sent an email to [bestpricemovingdelivery@gmail.com](mailto:bestpricemovingdelivery@gmail.com) under an assumed name asking about the company's rates for moving services. Mr. Perkinson received a response from "Geraldo" quoting a rate of \$75 per hour with "no hidden fees." Mr. Perkinson asked for the company's address, and received no further response. On April 8, 2013, the investigation was closed.
7. In June, 2013, I conducted a follow-up investigation, and found advertisements indicating the company is still conducting household goods moves in the state of Washington without a permit.
8. On June 19, 2013, an internet search for 425-789-9131 produced 49 advertisements for "Best Price Moving and Delivery" on [www.craigslist.org](http://www.craigslist.org), with a contact name of "Lima." I also found advertisements with the same contact information on <http://bothell.olx.com> and [www.angieslist.com](http://www.angieslist.com).<sup>3</sup>
9. On June 19, 2013, I sent an email to [bestpricemovingdelivery@gmail.com](mailto:bestpricemovingdelivery@gmail.com) requesting an estimate for a move from a two-bedroom apartment in Bothell to a two-bedroom apartment in Kirkland. I received a response from "John Box Truck," telling me that the company could perform my move for \$75 per hour, including "a truck, two men and tools."<sup>4</sup> I called 425-789-9131, and a man answered the phone, "Lima's." I asked for more information about my move, and "Lima" told me that his 17-foot box truck would be big enough to move my two-bedroom apartment. He estimated that the move would take between three and five hours to complete. I asked him for his name, and he said, "Geraldo Lima."
10. According to Commission records, as of August 7, 2013, there is no record of Geraldo Lima d/b/a Best Price Moving and Delivery aka Quick Moving and Delivery now (or ever) holding a household goods permit.

DATED this 3rd day of September, 2013, at Olympia, Washington.

Hi! I saw your ad on craigslist and I'm jsut trying to get some more info... I'm moving from a 2-br apt in Bothell to a 2-br apt in Kirkland next weekend. Bothell apt is 1st floor, Kirkland apt is 2nd floor. I don't have too much stuff--just the usual couch, double bed, shelves, TV, etc. Not moving any appliances. Can you give me an estimate of how much you would charge? Also, do you include insurance, or do I need to get that separately?

Thanks! Penny
