Dear Mr. Danner,

Enclosed for the Commission's approval, YCOM Networks, Inc. d/b/a FairPoint Communications, hereby submits the following tariff pages with changes to be effective December 16, 2013:

Section 1, First Revision Sheet No. 5  
Section 12, Third Revision Sheet No. 1  
Section 12, Second Revision Sheets No. 2 – Sheets No. 10

The purpose of this filing is to withdraw Integrated Services Digital Network-Basic Rate Interface (ISDN-BRI) in our territory. There are no customers who currently subscribe to ISDN-BRI and FairPoint offers more robust alternatives to meet our customer's needs.

In compliance with WAC 480-120-194 (1), FairPoint is providing a thirty-day notice. Since there are no individual customers with the ISDN-BRI service to mail the notice to, FairPoint is posting a notice complying with the requirements stated in WAC-480-120-194 (4) on our website and at our business office location.

Please contact Beth Westman at 207.535.4249 or bwestman@fairpoint.com with any questions or concerns regarding this filing.

Sincerely,
