RE: Rabanco Ltd. / Klickitat County, Tri County Disposal Tariff Filing

Dear Mr. King:

Enclosed please find proposed Tariff No.8 of Rabanco Ltd, Certificate G-12, (dba Allied Waste Services of Klickitat County, Tri-County Disposal), the purpose of which is a general rate increase request. It has been over 36 months since our last general increase on these rates and in that time we have experienced inflationary pressures on key operating costs. The proposed rates will offset increases in labor, fuel, maintenance, healthcare, pension and other general operating expenses. If approved by the Commission, the overall revenue requirement increase reflected in this filing would approximate **19.1%** or **\$229,247**.

The proposed rates impact services provided as follows:

	<u>% Revenue Change</u>	<u>\$ Revenue Change</u>	<u>Estimated Rate Impacts</u>
Garbage:	+19.1%	\$ 229,247	19.0-20.1%

As required by Commission rules, a copy of this transmittal letter will be mailed to the Klickitat County Chair impacted by this filing. We will be mailing customer notices to all affected customers on or before February 1<sup>st</sup>, 2013. We will file a copy of the customer notices with your office prior to or at the same time as the mailing. Paper copies of all work papers and supplemental documentation is will a courier service and will arrive at the commission tomorrow via overnight delivery.

If you have any questions please don't hesitate to contact me.
