Dear Mr. King:

Attached are the above-referenced tariff sheets. The purpose of the filing is to remove the off-premises extension (OPX) service and to discontinue the Integrated Services Digital Network (ISDN). There are no customers on either the OPX or ISDN service, both of which are somewhat outdated services. Because there are no customers, a customer notice has not been sent. However, notice of discontinuance will be posted on the company's web site.

Thank you for your attention to this matter.

Sincerely,

RICHARD A. FINNIGAN
