

NOTICE

Kalama Telephone Company (“Company”) has today filed with the Washington Utilities and Transportation Commission revisions to the Company’s Tariff WN U-1 (“Tariff”).

The proposed tariff sheets modify Schedule 42 (“Network Access and Toll Service”) of the Company’s Tariff WN U-1 by revising the non-recurring charges applicable to changes of intrastate presubscribed interexchange carrier requested by either the end user subscriber to exchange service or by an interexchange carrier. Those non-recurring charges are proposed to be reduced and revised to be more consistent with the corresponding interstate charges.

The estimated effect of the proposed tariff revisions on the Company’s annual revenues is a reduction of approximately \$550.

The accompanying tariff sheets have an issued date of April 24, 2014, and an inserted effective date of June 1, 2014.

A copy of the proposed tariff sheets, as well as of the Company’s existing Tariff WN U-1, is available for public inspection in this office. A member of our staff will be pleased to assist you in obtaining information from the proposed tariff sheets, as well as from our existing Tariff WN U-1.
