## NOTICE OF PENALTIES INCURRED AND DUE FOR VIOLATIONS OF LAWS AND RULES

PENALTY ASSESSMENT: TR-141004  
PENALTY AMOUNT: \$100

Palouse River & Coulee City Railroad  
420 Hansen St. S.  
Twin Falls, WA 83301

According to Washington Utilities and Transportation Commission (Commission) records, you have violated Washington Administrative Code (WAC) 480-62-300, which requires railroad companies to file their annual report and pay regulatory fees each year by May 1. You did not file an annual report or pay regulatory fees by May 1, 2014.

Revised Code of Washington (RCW) 81.04.080 authorizes the Commission to assess penalties of \$100 for violations of Commission rules. Each violation is a separate and distinct offense and, in the case of a continuing violation, every day's continuance is a separate and distinct violation. The Commission interprets noncompliance with WAC 480-62-300 beyond May 1 as a continuing violation, and assesses penalties of \$100 for each day a company fails to file its report or pay its regulatory fees after that date.

As a result, the Commission has assessed penalties against you in the amount of \$100 on the following basis:

On February 28, 2014, the Commission mailed the 2013 annual report forms and the 2014 regulatory fee packets to all railroad companies registered in Washington. The instructions page for the annual report form instructed these companies to file annual reports and pay regulatory fees by May 1, 2014. The instructions page also stated that failure to file the annual report by May 1 would result in penalties. The deadline for requesting an extension to file your annual report was April 17. You did not request an extension.

On May 2, 2014, Palouse River & Coulee City Railroad filed its 2013 annual report and paid its 2014 regulatory fee. May 2 is 1 business day from May 1, resulting in a total penalty of \$100.

Your penalty is due and payable now. If you believe the violation did not occur, you may request a hearing to contest the penalty assessment. The Commission will grant that request only if material issues of law or fact require consideration of evidence and resolution in a hearing. A request for a hearing must include a written statement of the reasons supporting that request.

Failure to provide such a statement will result in denial of the request. If there is a reason for the violation that you think should excuse or reduce the penalty, you may ask for mitigation (reduction) of this penalty through evidence presented at a hearing or in writing. A request for mitigation must include a written statement of the reasons supporting that request. Failure to provide such a statement will result in denial of the request. See RCW81.04.405.

If you properly present your request for a hearing and the Commission grants that request, the Commission will review the evidence supporting your dispute of the violation or application for mitigation in a Brief Adjudicative Proceeding, before an administrative law judge. The administrative law judge will consider the evidence and will notify you of his or her decision.

**You must act within 15 days after receiving this notice** to do one of the following:

- Pay the amount due.
- Request a hearing to contest the occurrence of the violations.
- Request mitigation to contest the amount of the penalty.

Please indicate your selection on the enclosed form and send it to the Washington Utilities and Transportation Commission, Post Office Box 47250, Olympia, Washington 98504-7250, **within FIFTEEN (15) days** after you receive this notice.

**If you do not act within 15 days**, the Commission may refer this matter to the Office of the Attorney General for collection, which may file suit in state court to collect the penalty.

DATED at Olympia, Washington, and effective May 27, 2014.
