Re: Notice of Intent to Discontinue Interstate and Intrastate Long Distance Service in Washington CTI Long Distance, Inc.

Pursuant to WAC 480-120-083, CTI Long Distance, Inc. (“**CTI**”) hereby notifies the Washington Utilities and Transportation Commission (“**Commission**”) that CTI intends to discontinue its interstate and intrastate long distance service to existing customers in Washington effective **October 28, 2014**.

As of September 1, 2014, CTI had **131** customers subscribing to CTI Long Distance Service in Washington. I have enclosed a copy of the notice that was mailed via U.S. First Class Mail to all of CTI’s Washington customers today (**Attachment 1**), and a copy of the notice that will be mailed to CTI’s Washington customers at least 10 days prior to October 28, 2014 (**Attachment 2**). I have also enclosed a copy of the letter sent to the telecommunications company providing CTI with its resold long distance services (**Attachment 3**). CTI’s customers are located in the cities and counties identified in **Attachment 4**.

No other telecommunications providers are affected by this discontinuance of service.

If you have any questions, please feel free to contact me at **866-899-7710**.

Very truly yours
