Re: *Amendment to ordinance granting status quo franchise*

Dear Mr. Wulf:

Enclosed please find a copy of Ordinance 08-004, which amended Ordinance 07-023 granting the seven year status quo franchise to Waste Management. Please note that the only change that was made was to change the effective date from in November to March 10, 2008. This was done to make sure the revised termination date notice given to the WUTC in February matched the ordinance.

If you have any questions or comments, please feel free to contact me.

Very truly yours,

Cary P. Driskell
