Dear Sirs:

This filing is submitted by Zippy Disposal Service, Inc., G-121.

The purpose of this filing is to request rates for new services.

To facilitate staff examination of this request, we have enclosed the following information:

1. Tariff pages reflecting this change.
2. Rate was discussed with staff; work papers are available upon request.
3. Since this is a new service, no customer notice was sent. We will place tags on customers cans to notify them of the new service.

The new services are for additional toter sizes that are now available. We are adding this size to facilitate the transition to semi and automated collection in some areas. Since these services will be primarily replacing single can service, we do not anticipate any impacts on overall company revenue.

We are requesting expedited treatment for this request in accordance with WAC 480-70-262, with an effective date of November 1, 2014.

If you have any questions regarding this filing, please contact me at (509) 682-5464; our fax number is (509) 682-5379.

Respectfully,

Glen A. Austin, Controller  
Zippy Disposal Service, Inc.
