Electric Tariff Filing – Filed Electronically**

Dear Mr. King:

Pursuant to RCW 80.28.060 and Chapter 480-80 WAC, please find enclosed for filing the following proposed revision to the WN U-60, Tariff G for electric service of Puget Sound Energy, Inc. (“PSE”).

32 <sup>nd</sup> Revision of Sheet No. 55	- Schedule 55 – Area Lighting Service
13 <sup>th</sup> Revision of Sheet No. 55-A	- Schedule 55 – Area Lighting Service (Continued)
1 <sup>st</sup> Revision of Sheet No. 55-B	- Schedule 55 – Area Lighting Service (Continued)
2 <sup>nd</sup> Revision of Sheet No. 55-C	- Schedule 55 – Area Lighting Service (Continued)
2 <sup>nd</sup> Revision of Sheet No. 55-D	- Schedule 55 – Area Lighting Service (Continued)

The primary purpose of this filing is the addition of Light Emitting Diode (“LED”) area light rates so that PSE can offer these more efficient lights to customers. The filing also reflects a new provision in the adjustment section to provide adjustments for these new area lights. In addition, the filing also reflects format changes.

A work paper supporting rates for the new LED lights is enclosed. Rates were derived by using the relationship between existing rates and costs for high pressure sodium street and area lights and the costs for these new LED area lights.

The tariff sheets described herein reflect an issue date of December 3, 2014, and effective dates of January 3, 2015. Posting of proposed tariff change, as required by WAC 480-100-193, is being made by posting the proposed tariff sheets on the PSE web site immediately prior to, or coincident with, the date of this transmittal letter in accordance with WAC 480-100-193(1).
