**Re: Notification of the Transfer of Customer and Assets of MegaPath Corporation to GC Pivotal, LLC d/b/a Global Capacity, LLC  
CONSUMMATION NOTICE AND REQUEST TO CANCEL AUTHORITY**

Dear Mr. Danner:

GC Pivotal, LLC d/b/a Global Capacity ("Global Capacity"), on its own behalf and as purchaser of certain network assets and customers from MegaPath Corporation ("MegaPath"), notifies the Washington Utilities and Transportation Commission ("Commission") that on December 31, 2014, MegaPath and Global Capacity completed a transaction whereby ownership of certain network assets and certain customers served by those assets from MegaPath were transferred to Global Capacity.<sup>1</sup> As a result of this, MegaPath will no longer provide telecommunications services in Washington and therefore no longer requires its authorizations. As such, MegaPath requests that the Commission cancel MegaPath's authorizations to provide interexchange and switched interexchange telecommunications services and rescind any and all tariffs on file with the Commission. MegaPath was granted authority to provide interexchange and switched interexchange telecommunications services in Docket UT-970553 on April 23, 1997. Because MegaPath no longer provides any service that is subject to the jurisdiction of the Commission in Washington, the Company respectfully submits that the surrender of its authorizations is reasonable and necessary and will not be disruptive to the present or future public interest, convenience and necessity.
