RE: Bainbridge Disposal, Inc., G-143, Commodity Credit Revision Filing

I am filing proposed revised tariffs, Page No. 2 Check Sheet, Page No. 22 Item 100-Residential Service-Monthly Rates and Page No. 26 Item 105-Multi-Family Service-Recycling for Tariff No. 15 on behalf of Bainbridge Disposal, Inc., G-143.

This filing proposes a residential recycling commodity adjustment credit increase of \$.68 from the previous debit of \$.27 per customer to a debit of \$.95 per customer. This filing also proposes a multi-family recycling credit decrease of \$1.18 from the previous debit of \$2.00 per customer to a debit of \$.82 per customer.

These changes are due to the overall reduction in commodity values and tonnages since the previous commodity credit adjustment on April 1, 2014. During 2014 the Company did not receive any compensation for the co-mingled product from the processor. On February 10, 2015 the Company was informed there would be a charge of \$9.50 per ton for processing. I have included price quotes from the processor for 2014 and notification of the price increase for February 2015.

I am requesting the proposed effective dates for these tariff revisions to be April 1, 2015.

Enclosed for staff review are the accounting work papers for this filing and price quotes.

The company will notify all customers during the normal billing process.

A copy of this transmittal letter will be mailed to the Chair of the Kitsap County, WA Commissioners and City Manager of the City of Bainbridge Island, WA..
