RULE 2 – SERVICES (Continued)

could be logically served by one pipe line will be considered a service. Only one customer will be permitted on a service except by approval of the company.

RULE 3 – SERVICE CONNECTION CHARGE

See tariff for connection charges.

RULE – 4 DISCONNECTION VISIT AND RECONNECTION CHARGE

When a utility employee is dispatched to disconnect service, that person shall be required to accept payment of a delinquent account at the service address. The fee for a disconnection visit is \$30. (I)  
The full delinquent amount and the disconnection visit charge must be tendered in cash, check or (T)  
money order by the customer to prevent the service from being disconnected. Any excess payment shall be credited to the customer's account. Change will not be given during a disconnection visit.

A reconnection charge of \$35 per service shall be made for any subsequent reconnection of (I)  
the customer's service to the company's distribution system. Such charge is to apply only in cases where (I)  
service has been discontinued due to non-payment of monthly service to the customer. The \$35 charge (T)  
applies when reconnection has been made during the hours of 9 a.m. to 5 p.m. on week days. If (T)  
reconnection of service occurs after 5 p.m. or on weekends, the charge to the customer shall be \$50. (I) (T)  
No charge will be made for reconnection of service if the shut-off was made for the company's (T)  
convenience in making repairs, changes, etc. (T)

RULE 5 – SERVICE CONNECTIONS

The company will construct service connections of a proper size, as determined by the company, from its distribution mains to the customer's property. The company reserves the right to refuse to construct a service connection to any property in case a reasonable doubt exists as to continuity of service, or in case the applicant's pipes are not properly constructed and protected.

RULE 6 – INSTALLATION OF METERS

The company reserves the right to meter any flat rate service at its convenience, the company's metered service rates there upon to become effective, provided the customer has received 30 days written notice. All meters so placed will be installed and maintained by the company without cost to the customer.

A meter will be installed upon any flat rate service at the

RULES AND REGULATIONS

RULE 15 – SPRINKLING AND IRRIGATION

Water used for sprinkling and irrigation shall be paid for at the regular prescribed tariff rates for such service. The hours for such use shall be as prescribed from time to time by the company, subject to protest by any customer affected and to review by the State Commission.

No person shall use water for sprinkling or irrigation purposes during any fire in the area, and all sprinkling and irrigation shall be stopped immediately when an alarm of fire is sounded and not resumed until the fire has been extinguished.

RULE 16 – PROPERTY ON PUBLIC HIGHWAYS

All distribution mains and those portions of service connections, exclusive of customer owned lines, in or on streets or public highways will be considered utility property and will be maintained by the company at its expense.

RULE 17 – GENERAL

All special cases not covered by the foregoing Rules and Regulations will be covered by special rules to be filed as a part of the company's tariff on file with the State Commission, subject in each case to protest according to law.

The company hereby adopts and makes a part of this tariff the regulations of the State Commission as provided in Chapter 480-110, Washington Administrative Code, as amended June 30, 1976.

RULE – 18 SERVICE/NSF CHARGE

A service charge of \$5 will be made for each new account or change of account responsibility on an existing service. Such charge shall be included in the initial billing to the customer.

An additional charge of \$5 is applicable when the utility must dispatch an employee to establish a base meter reading. A charge of \$25 will be made for handling NSF checks. (l)
