

Rocket Transportation LLC
PO BOX 3681
Sequim, WA 98382
360-683-8087

April 29, 2015

To: All Concerned

Rocket submits the enclosed proposal to:

- Increase Rocket Transportation rates to reflect the actual cost of serving the area with Door to Door Shuttle service keeping within the 10% net profit cap.
- Modify Passenger Rules to communicate effectively to travelers the guidelines necessary to keep rates affordable.
- Add Promotional Fares to help increase our ridership, increase efficiency, create an expanded repeat customer base, foster cooperation to solve transportation issues, and reduce the carbon footprint.

To comment regarding this submission, please contact the Utilities and Transportation Commission. This contact may be in person, by telephone, or via the internet. This contact information is current as of submission, but may change.
