**Re: Notice of BellSouth Long Distance Inc. d/b/a AT&T Long Distance Service's
Discontinuance of Telephone Service in Washington**

Dear Records Center:

BellSouth Long Distance, Inc. d/b/a AT&T Long Distance Service ("BSLD") hereby provides notice to the Commission that it is ceasing the provision of all services and requests to have its registration as a competitive telecommunications provider in Washington cancelled effective July 31, 2015 for all services provided in the state of Washington. The requirements of WAC 480-120-083 do not apply because pursuant to subsection (1) (d), BSLD currently does not have any customers. Accordingly, no notice is being provided to customers. In addition, BSLD does not have any numbers assigned to it from NANPA and there are no 9-1-1 service considerations that need to be addressed.

Please contact me at 775-333-3986 if you have any questions regarding this notice.

Sincerely,

A handwritten signature in black ink, appearing to read "David Collier".
