Re: Petition to request an exemption from the Utilities and Transportation Commission's insurance requirements.

To Whom It May Concern:

Triangle Charter Services, LLC has been headquartered in Washington as a tour bus operator in good standing since 2008. Triangle Charter Services, LLC is hereby formally filing a petition to request an exemption from the State of Washington's Utilities and Transportation Commission's insurance requirements and is asking the WUTC to accept the placement of our Auto Liability Insurance with Limits of \$5,000,000 with a "Non-Admitted" insurer, Prime Insurance Company. Triangle Charter Services, LLC survival as a tour bus operation and the livelihood of its employees is dependent upon the WUTC acceptance of this petition. Our necessity in filing this petition is due to being unable to find an admitted insurer to place our coverage since we were non-renewed by our prior carrier, RLI Insurance on August 25, 2015.

In addition to being non-renewed by RLI, we have also been declined to be underwritten by the following "Admitted" insurers approached by our brokers on our behalf:

National Interstate
National Indemnity
Scottsdale
Lancer
Occidental / Wilshire
AIG
XL

Please call if you have any questions, and/or need any additional information. We look forward to hearing your decision as soon as possible.

Sincerely,

Dan Wilder
