Re: Dismissing Application

Dear RJD Enterprises Inc.:

On October 7, 2015, RJD Enterprises Inc., d/b/a Tight Quarters Excavation & Trucking, filed with the Washington Utilities and Transportation Commission (Commission) an application requesting authority to operate as a Motor Freight Carrier carrier in the state of Washington.

On October 7, 2015, January 6 and February 24, 2016, the Commission sent RJD Enterprises Inc. notices describing the application requirements the company had not satisfied. Despite this notice, RJD Enterprises Inc. has not met the following requirements as of the date of this letter: Request a Uniform Motor Carrier Certificate of Insurance (Form E) from your insurance company, Filing may not be accepted without a signature of Authorized Company Representative, we need a list of equipment being used, and The name on the USDOT number was inconsistent with the name on the Common Carrier application and the name on the business license.

Accordingly, the application filed by RJD Enterprises Inc. for Motor Freight Carrier authority is dismissed for failure to meet the application requirements.

If you have questions about this letter, please contact Licensing Services at 360-664-1222. You may also email us at transportation@utc.wa.gov.
