

WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION

NOTICE OF PENALTIES INCURRED AND DUE
FOR VIOLATIONS OF LAWS AND RULES

PENALTY ASSESSMENT: DG-152252
PENALTY AMOUNT: \$1,000

Armando Huizar
A and H Landscaping
1712 N. 15th Ave
Pasco, WA 99301

The Washington Utilities and Transportation Commission (Commission) believes that you have violated Revised Code of Washington (RCW) 19.122.030(1)(a) by failing to request a dig ticket prior to performing an excavation. RCW 19.122.055(1)(a) states, in part, that any excavator who fails to notify a one-number locator service and causes damage to a hazardous liquid or gas facility is subject to a civil penalty of not more than ten thousand dollars for each violation.

Commission staff (Staff) conducted an investigation in which it reviewed damage reports submitted by Cascade Natural Gas Company (CNGC) and identified a natural gas damage event involving Armando Huizar d/b/a A and H Landscaping (A and H Landscaping), in which buried utilities were not located prior to excavation. Accordingly, the Commission hereby notifies you that it is assessing a penalty against you in the amount of \$1,000 on the following grounds:

(Violation)

On April 27, 2015, A and H Landscaping, performed an excavation with a track-hoe as part of installing fencing at 6636 Saddlebred Lp., Pasco, Washington. Prior to beginning excavation, A and H Landscaping failed to request a dig ticket from a one-number locator service to have the underground utilities located.

On April 27, 2015, CNGC submitted a Damage Incident Reporting Tool report identifying A and H Landscaping as the party responsible for damaging the utility's natural gas service line at 6636 Saddlebred Lp., Pasco, Washington, on April 27, 2015, without first obtaining a ticket number to have utilities located prior to excavation. CNGC also submitted a 30-day report to the Commission's Pipeline Safety Section on May 18, 2015.

On July 1, 2015, the Commission mailed an Alleged Violation of Washington Dig Law letter to A and H Landscaping, informing the company of its obligation to have underground utilities located prior to excavation, as outlined in RCW 19.122.030. The letter emphasized the importance of becoming familiar with the law, and the possibility of penalties for each violation of the law.

Based on the results of Staff's investigation, the Commission finds that A and H Landscaping violated RCW 19.122.030(1)(a) 1 time, by failing to request a dig ticket prior to performing an excavation, and the Commission assesses a \$1,000 penalty for that violation. These facts, if not contested or if proved at a hearing and not rebutted or explained, are sufficient to support the penalty assessment.

Your penalty is due and payable now. If you believe the violation did not occur, you may deny committing the violation and contest the penalty assessment through evidence presented at a hearing or in writing. The Commission will grant a request for hearing only if material issues of law or fact concerning the violation require consideration of evidence and resolution in a hearing. Any contest of the penalty assessment must include a written statement of the reasons supporting that contest. Failure to provide such a statement will result in denial of the contest.

If you admit the violation but believe there is a reason for the violation that should excuse you from the penalty, you may ask for mitigation (reduction) of this penalty through evidence presented at a hearing or in writing. The Commission will grant a request for hearing only if material issues of law or fact require consideration of evidence and resolution in a hearing. Any request for mitigation must include a written statement of the reasons supporting that request. Failure to provide such a statement will result in denial of the request.

If you properly present your request for a hearing and the Commission grants that request, the Commission will review the evidence supporting your dispute of the violation or application for mitigation in a Brief Adjudicative Proceeding before an administrative law judge. The administrative law judge will consider the evidence and will notify you of his or her decision.

You must act within 15 days after receiving this notice to do one of the following:

- Pay the amount due;
- Contest the occurrence of the violation; or
- Request mitigation to reduce the amount of the penalty.

Please indicate your selection on the enclosed form and send it to the Washington Utilities and Transportation Commission, Post Office Box 47250, Olympia, Washington 98504-7250, **within FIFTEEN (15) days** after you receive this notice.

If you do not act within 15 days, the Commission may refer this matter to the Office of the Attorney General for collection. The Commission may then sue you to collect the penalty.

DATED at Olympia, Washington, and effective December 14, 2015.
