Subject: Waste Management of Spokane, a division of Waste Management of Washington, Inc.(G-237); Tariff #18

Dear Sirs:

Enclosed herein, please find revised pages, 2 and 33 to the above-referenced tariff. These proposed revised tariff pages reflect an increase in the Item 230 – Disposal Fees charged at the Graham Road Recycling & Disposal Facility (GRRDF). The new rates as reflected in the letter from GRRDF will go into effect on March 1, 2016. This change reflects a 5% increase in the current rates. We are requesting that the revised rates go into effect on April 1, 2016.

Enclosed for your review is a letter from the GRRDF informing us of the increase in the rates. Upon approval by the Commission of this filing, affected customers will be notified of this rate increase on their next regularly scheduled billing.

If you have any questions or need additional information, please contact me at (425) 814-7840.

Very truly yours,
