#### NOTICE OF CALLING CARD DISCONTINUANCE

Dear [Customer name]

As a valued customer, we want to make you aware of an upcoming change in our services. From time to time we evaluate and update our product portfolio to service our customers. Due to overall declines in post-paid calling card usage, TTI National, Inc. has made the difficult decision to discontinue the TTI National Calling Card.

#### What does this mean to you?

On or after January 16, 2016, subject to applicable federal and state regulatory approvals, the TTI National Calling Card and the associated post-paid billing option, will no longer be useable for calls to or from the United States, U.S. territories or anywhere else in the world. If you are using this service, please make alternate arrangements to place and pay for calls after this date. Calls charged to the TTI National Calling Card before the date of discontinuance will be billed as usual on your normal bill cycle date.

#### What if you have other TTI National services?

Long distance and international subscriber plans active with TTI National will not be affected by this change. You may continue to place domestic and international calls using these TTI National plans.

We value your continued business, and we regret any inconvenience this action may cause you. Our TTI National Service Representatives are ready to assist you with questions or concerns, and can be reached at 1-800-893-5094, the toll-free number on your bill, or visit our website at [www.ttinational.com](http://www.ttinational.com).

Thank you,

TTI National, Inc.
