Subject: Adding trade name of A & A Motorcoach

Hello, I'm processing your application to add the trade name of A & A Motorcoach to your current Certificate and I had a few clarification questions. You are not acquiring their Charter/Excursion Certificate correct, you just want to add the name to your current Certificate? If you are the new owners of that company, could you please let me know if I can cancel it their Certificate CH-224? They still have active insurance on file with us, and if they are no longer in service I would like to follow-up with the insurance company, and get their account closed out.

Thanks
