SQF, LLC ("SQF") is a recently registered foreign LLC in Washington State (UBI number: 603-620-985) applying for registration as a telecom company in Washington. Tilson Technology Management, Inc. As SQF is a new company, it is submitting Tilson's financial information (balance sheet) with its telecom company registration application.

In accordance with the Utilities and Transportation Commission's requirements, Tilson respectfully submits this letter asserting that it guarantees the obligations of SQF.
