

Bryan Medina
Comcast Voice Engineer
5800 S. Quebec St
Greenwood Village, CO 80111

Comcast Corporation is requesting a State Waiver/exception on Telephone Number Resources for five-Number resource Blocks. Reasoning, is In February 2016 the Cowlitz Tribe broke ground for their new \$510 million casino. (**ILANI CASINO RESORT**) It will open in the summer 2017, located in La Center, Washington. The Ilani Casino Resort will be near the Interstate 5 Exit 16, near La Center. This is about 20 miles north of Vancouver, Washington.

This project will have an impact on the economy and energy, communications, and emergency resources in the greater metro Vancouver area and increase economic robustness. Please consider our State Waiver request, any additional information needed please feel free contact me.

Thank You.

Sincerely,

A handwritten signature in black ink that reads 'Bryan Medina'.
