

**BEFORE THE WASHINGTON
UTILITIES AND TRANSPORTATION COMMISSION**

In the Matter of the Investigation of

STILLAGUAMISH SENIOR CENTER

For Compliance with WAC 480-31-130

DOCKET TN-170131

NOTICE OF INTENT TO CANCEL
CERTIFICATE AS A PRIVATE,
NONPROFIT TRANSPORTATION
PROVIDER

NOTICE OF BRIEF ADJUDICATIVE
PROCEEDING; SETTING TIME FOR
ORAL STATEMENTS
(Set for May 15, 2017, at 1:30 p.m.)

- 1 Pursuant to RCW 81.66.030, the Washington Utilities and Transportation Commission (Commission) has authority to regulate private, nonprofit transportation providers with respect to the safety of vehicles and operations. In support of its regulation of private, nonprofit transportation providers, the Commission has adopted by reference portions of Title 49 of the Code of Federal Regulations (C.F.R.) in WAC 480-31-130, the Commission’s rule governing the operation of motor vehicles by private, nonprofit transportation providers. State law at RCW 81.66.060 authorizes the Commission to cancel the certificate of any private, nonprofit transportation provider that refuses to observe Commission rules. The Commission may cancel private, nonprofit transportation provider certificates “for cause” under WAC 480-31-052(2).
- 2 Stillaguamish Senior Center (“Stillaguamish Senior Center” or “Company”) holds private, nonprofit transportation provider authority from the Commission and operates under Certificate C-985. In March 2017, the Commission’s staff (Staff) conducted a review of Stillaguamish Senior Center compliance with the safety requirements in chapter 480-31 WAC. As a result of the compliance review, Staff documented 67 critical violations of WAC 480-31-130. Based on these violations, Staff proposed an “unsatisfactory” safety rating for Stillaguamish Senior Center and notified the Company of the proposed rating on March 30, 2017.
- 3 Federal law incorporated into WAC 480-31-130 prohibits motor carriers transporting passengers in a commercial motor vehicle from operating beginning on the 46th day after the date of the notice of a proposed unsatisfactory rating.¹ A carrier may request a change

¹ See 49 C.F.R. § 385.13(a)(1).

in its safety rating based on evidence that the company has taken corrective actions to address the identified violations and that company operations currently meet the safety fitness standard as specified in 49 C.F.R. §§ 385.5 and 385.7.

4 Stillaguamish Senior Center must come into compliance with applicable laws and rules by obtaining Commission approval of a safety management plan no later than Monday, May 15, 2017. If the Company fails to come into compliance by that date, the Commission will cancel its private, nonprofit transportation provider certificate effective May 15, 2017. Thereafter as an unregistered company, Stillaguamish Senior Center would be prohibited from providing private, nonprofit transportation provider services in the state of Washington.

5 **THE COMMISSION GIVES NOTICE That it intends to cancel the certificate and authority of Stillaguamish Senior Center to provide private, nonprofit transportation provider services effective May 15, 2017, unless the Company obtains Commission approval of a safety management plan prior to that date.**

6 The Company has the right to request a hearing in this matter. Due to the short time-frame determined by the upcoming deadline, and pursuant to RCW 34.05.482 and WAC 480-07-610, the Commission schedules a hearing on its own initiative and determines that a brief adjudicative proceeding is appropriate to determine whether the Commission should cancel Stillaguamish Senior Center's private, nonprofit transportation provider certificate.

7 If the Company is able to obtain Commission approval of its safety management plan and its safety rate is upgraded from unsatisfactory prior to May 15, 2017, the Commission may exercise its discretion to cancel or postpone the hearing.

8 **THE COMMISSION GIVES FURTHER NOTICE that it will hold a brief adjudicative proceeding in this matter at 1:30 p.m. on Monday, May 15, 2017, in Room 206, Richard Hemstad Building, 1300 S. Evergreen Park Drive S.W., Olympia, Washington.**

9 The record in this case will consist of any documents regarding the matter that are considered by or prepared for the presiding officer for the brief adjudicative proceeding and a transcript of any oral statements given at the hearing, which statements will be given under oath.

10 Written notice of any other stage in the proceeding or other formal proceedings that the Commission may deem appropriate will be given during the course of this case. The Commission will provide at its offices in Olympia, Washington, copies of documents in the current record for use by the parties or others who may want to review them.

- 11 **Stillaguamish Senior Center must submit its proposed safety management plan no later than 3 p.m. on Friday, May 5, 2017.** Parties wishing to submit any other documents for consideration at the brief adjudicative proceeding must file with the Commission a list enumerating and describing any such documents **no later than 5 p.m. on Monday, May 8, 2017**, and bring an original and three (3) copies of those documents to the hearing. Filing shall be in accordance with WAC 480-07-140 and -145.
- 12 **THE COMMISSION GIVES NOTICE that any party who fails to attend or participate in the brief adjudicative proceeding set by this Notice, or any other stage of this proceeding, may be held in default under RCW 34.05.440 and WAC 480-07-450.**
- 13 The names and mailing addresses of all parties and their known representatives are shown as follows:

Commission: Washington Utilities and
Transportation Commission
1300 S. Evergreen Park Drive S.W.
