Re: Basin Disposal of WA., LLC d/b/a Basin Disposal of Walla Walla - G-165  
Disposal Cost Recovery Filing

On behalf of Basin Disposal of WA., LLC d/b/a Basin Disposal of Walla Walla - G-165 I am filing certain revised tariff pages and other documents a disposal site in Columbia County, WA effective May 1, 2017.

There will be no financial effect on customers because the disposal cost for municipal solid waste at Columbia County, WA is the same price per ton as Sudbury Road Landfill in Walla Walla, WA.

This filing is for recovery of disposal fees pursuant to RCW 81.77.160. A copy of the Columbia County, WA. Resolution No. 2017-01 is included with the documents being filed.

Revised tariff pages are included with filing in an Excel workbook titled Basin Disposal of Walla Walla Tariff No. 14 3-3-17.XLS.

The Company is also requesting exemption from portions of WAC 480-07-520(4) - General rate proceedings-Solid Waste Collection Companies. A Petition for Exemption is being filed today under separate cover by David Wiley with the Records Center.

A copy of this letter has been sent to Perry L. Dozier, Chairman of the Walla Walla County Board of Commissioners.

Yours truly,

*Weldon Burton*
