RE: UG_____, Informational Filing
Cascade's Gas Meter Statistical Sampling Program, 2016 Results

Enclosed is Cascade Natural Gas Corporation's (Cascade's or Company's) Gas Meter Statistical Sampling Program for all residential and small commercial meters in service as of December 31, 2016. These meters fall within the scope of the Company's Statistical Sampling Program as established in Rule 7, Meters and Meter Test Procedures in the Company's Tariff.

All larger meters were tested according to their required periodic schedule. The total number of meters Cascade had in service in Washington at the end of 2016 was 216,010.

If you have any questions, please call me at (509) 734-4573.

Sincerely,

/s/ Brett Hudson
