**Re: Kitsap County Solid and Hazardous Waste Management Plan, Preliminary Draft
April 7, 2017**

To whom it concerns:

The Department of Ecology (Ecology) received Kitsap County Solid and Hazardous Waste Management Plan, Preliminary Draft and formal request for review via e-mail on April 7, 2017. Today, I am forwarding this cover letter to formally request Utilities and Transportation Commission (UTC) review of the Plan, which I emailed to without this letter (I'm new; my apologies!) on April 12, 2017.

As you know, RCW 70.95.096 requires the UTC review the Plan's assessment of solid waste collection cost impacts on rates charged by solid waste collection companies regulated under Chapter 81.77 RCW, and advise the submitting county and Ecology of the probable effect of the plan's recommendations on those rates. I look forward to receiving your input, and may be reached at:

Vicki Colgan, CSBA, LEED® AP
