RE: Commodity Credit Adjustment for Tariff Number 13, Certificate Number G-98, Rural Garbage Service.

Dear Mr. King:

Attached please find revised pages for Tariff Number 13, as well as supporting documentation for the commodity credit adjustment. Tariff pages 1, 20 and 23 are affected by this change.

The residential credit will increase from \$0.40 to \$1.64, an increase of \$1.24 (310%) per customer, per month. The multi-family credit will increase from \$0.21 to \$0.55, an increase of \$0.34 (162%) per customer, per month. Rural Garbage Service does not currently participate in any county revenue share program.

If approved by the Washington Utilities and Transportation Commission the revised commodity credits will go into effect on July 1, 2017. The customers will receive notification of this change on the first billing reflecting the change.

If you have any questions regarding these revisions, please contact me at (360) 695-4923 or via email at heatherg@wcnx.org.

Sincerely,

Heather Garland
