IMPORTANT

LIFELINE WIRELESS SERVICE INFORMATION:

Lifeline is a government assistance program. Only one Lifeline service is available per household. A violation of the one-per-household limitation constitutes a violation of the Federal Communication Commission's rules and will result in your de-enrollment from the program. Your household is not permitted to receive multiple Lifeline benefits whether they be from one or multiple companies. This includes wireline and wireless services. Lifeline is a non-transferable benefit. You may not transfer your benefit to any other person. You must activate your service. You must use your phone to continue to receive service. Should you not use your service for 30 days, subject to a 15-day cure period during which you may use your service, you will be de-enrolled. Lifeline is a federal benefit. Willingly making false statements to obtain the benefit can result in fines, imprisonment, de-enrollment or being barred from the program. Proof of eligibility is required and only eligible customers may enroll. Proof may consist of eligible program card or statement of benefits. Eligible Lifeline Subscribers will receive a free handset with calling features and receive 500 Anytime Minutes, 100 SMS, and 50 MB of data each month of service OR receive a discount from any premium plan.
