Re: Transfer Station Rate Increase

Dear Jay,

The tipping fees at the transfer station will increase to \$106.29/ton plus an additional \$0.58/ton for the Oregon D.E.Q. fee effective August 1, 2017 for a total of \$106.87/ton not including the fuel surcharge. The monthly fuel surcharge is not included as it is calculated monthly and will be included on the invoice.

If you have any questions feel free to contact me at 360-942-7259.

Sincerely,

Larry Bale, Pres.
