RE: Transmittal of Shuttle Express Tariff No 11 Revision

Dear Mr. King:

Shuttle Express requests approval of the submitted Tariff No. 11 revision with an effective date of January 22, 2018. The only revision is to the language in 1) b) adjusting the maximum age of a qualifying passenger to be considered a child.

No other rates or adjustments to the existing filed tariff page are submitted at this time. Also, the tariff page being adjusted has recently been changed as a result of Order 20 in TC-143691 and reflects that such changes are approved as a result of compliance with that order.

Customer notification is being provided concurrently with additional tariff revisions requested to take effect on January 1, 2018. Both notifications will be displayed until such pending changes are approved, and the notice in this request will remain until the effective date of this change.
