Subject: Waste Management of Spokane, a division of Waste Management of Washington, Inc.(G-237); Tariff #18

Dear Sirs:

Enclosed, please find revised pages, 2 and 33 to the above-referenced tariff. These proposed revised tariff pages reflect an increase in the Item 230 – Disposal Fees charged at the Graham Road Recycling & Disposal Facility (GRRDF). The new rates as reflected in the letter from GRRDF will go into effect on April 1, 2018. This change reflects a 7% increase in the current rates. The prior rate increase by the GRRDF occurred on March 1, 2016. We are requesting that the revised rates go into effect on April 1, 2018.

Enclosed for your review is a letter from the GRRDF informing us of the increase in the rates. Upon approval by the Commission of this filing, affected customers will be notified of this rate increase on their next regularly scheduled billing.

If you have any questions or need additional information, please contact me at (425) 814-7840.

Very truly yours,
