The PNW Moving Team and Service was great, professional, organized and everything went like clock work. The job was finished exactly as estimated and exceeded my expectations. I will use PNW again and I will also refer business to them and I have recommended PNW to my contacts in the Senior Residential Housing Industry.

Excellent job! The guys were friendly and professional handled my heavy piano like pros and even made an extra stop to get a large couch out over a balcony. All for the quoted flat rate. Highly recommend, made moving a breeze!

TV171012 - Cancellation of Provisional Household Goods Permit THG067549 Due To Insufficient Proof of Insurance

Dear PNW Moving and Delivery LLC:

On August 25, 2017, the Washington Utilities and Transportation Commission (Commission) notified you that your transportation permit would be canceled unless you submitted acceptable proof of insurance by September 28, 2017. Our records show that you failed to submit acceptable proof of insurance by that deadline. As a consequence, **the Commission has CANCELED your provisional permit and dismissed your application for permanent household goods authority. You must immediately CEASE all operations associated with this permit. If you advertise or operate as a household goods mover without a valid permit, the commission may take enforcement action against you.**

You have the right to a hearing. If you believe the Commission should not have canceled your certificate, you may ask the Commission to schedule a hearing before an administrative law judge. At the hearing the only issue the Commission will address is whether you had proof of insurance on file to avoid cancellation. Email your request to Steven V. King, Secretary, at records@utc.wa.gov. You may also mail your request to 1300 S. Evergreen Park Drive. SW, PO Box 47250, Olympia, WA 98504-7250. The Commission must receive your request within 14 days after the date of this letter.

You may apply to reinstate your permit. Download the reinstatement application at www.utc.wa.gov. To locate application instructions, type "File Your Transportation Application Electronically" in the site search bar, and select this link. Then, click on the appropriate industry application.

If you have questions about this notice, please contact Licensing Services at (360) 664-1222. You may also email us at transportation@utc.wa.gov.

Sincerely,

Suzanne Stillwell
Licensing Services Manager

NOTICE: This action is delegated to the Secretary, or the Secretary's delegate, for decision. In addition to serving you this letter, the Commission will post on its website for at least 14 days a list of all matters delegated to the Secretary for decision. You may seek Commission review of this decision. Email your request to Steven V. King, Secretary, at records@utc.wa.gov. You may also mail your request to 1300 S. Evergreen Park Drive. SW, PO Box 47250, Olympia, WA 98504-7250. You must file a request for Commission review no later than 14 days after the date of this letter.

These guys are solid. Well-priced, showed up exactly on walls or furniture. Also, they didn't charge for "time to get to your place" or any other shenanigans, which seems to be typical in this industry. They even helped assemble a bed and a crib for me.
I would totally hire them again.

Recent Customers

"My experience with this company was excellent. I had never used a moving company before but did so this time because my apartment was on the 3rd floor and didn't have a truck readily available. They were polite and friendly and worked quickly. After everything was loaded up I followed them to our destination and they brought everything in and put it where I asked."
