Subject: Request for Change to WUTC HHG Tariff No. 15-C - Credit Card Processing Fees.

Good Afternoon Steve –

Please find attached a request for a WUTC HHG Tariff No. 15-C change to allow intrastate moving companies to collect from their customers the credit card processing fees credit card companies assess when a credit card is used. These fees really add up on a calendar year bases.

I have had conversations with WUTC staff and they appear to be on board.

“Hard Copy” is in the mail.

Thanks Steve.
