**RE: Compliance with WAC 480-90-238 and WAC 480-100-238  
2019 Integrated Resource Plan Work Plan**

Dear Mr. Johnson:

Attached please find the Work Plan for Puget Sound Energy's ("PSE's") 2019 Integrated Resource Plan ("IRP"). It is filed pursuant to the Washington Utilities and Transportation Commission IRP rules under WAC 480-90-238(4), (5) and WAC 480-100-238(4), (5). The Work Plan includes public participation and anticipated timing, summary of methods for assessing resources, and an outline of IRP content.

Public participation in PSE's 2019 IRP is underway. PSE hosted the first IRP Advisory Group ("IRPAG") meeting on May 30, 2018. As outlined in the attached Work Plan, PSE plans to host a series of Technical Advisory Group ("TAG") meetings in addition to IRPAG meetings during this IRP cycle. The IRPAG meetings are designed to facilitate the public sharing information with PSE. The TAG meetings will provide an opportunity for engagement with industry experts. Everyone is invited to attend IRPAG and TAG meetings. PSE looks forward to continuing a robust public participation process that enhances transparency and provides the details necessary to develop a well-supported IRP. PSE will file the final IRP by July 15, 2019.

Please contact Phillip Popoff, Manager, Integrated Resource Planning, at (425) 462-3229 or Nate Hill, Manager, State Regulatory Initiatives, at (425) 457-5524 for additional information about this filing. If you have any other questions please contact me at (425) 456-2142.
