RE: Moffitt Water Main Extension, Contract with Property Owner

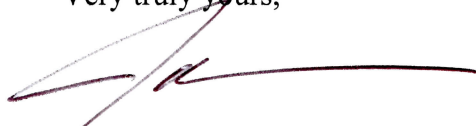

Dear Mr. Johnson,

Please find enclosed a contract of an agreement between Pattison Water Company, Inc. and Jonathan and Natalie Moffitt (property owners). Also enclosed is the plan showing the route of the piping and a cost analysis of the planned project. The project will extend a three inch water main 200 feet to serve the Moffitt's lot. We anticipate that the project will take 12 hours to construct, and test. The total length of pipe to be installed is 200 feet of three inch CI-200 PVC pipe.

We have estimated that the total cost (including tax) of this project will be \$4,348.00. The property owner has contracted with G. C. Casebolt Company to construct the line which is an affiliate of Pattison Water Company Inc.

Questions regarding this submittal can be directed to me at (360) 412-1252, or [jcasebolt@comcast.net](mailto:jcasebolt@comcast.net).

Very truly yours,

James S. Casebolt  
President
