Dear Secretary Johnson,

San Juan Sanitation, Inc. (G-144) is submitting this transmittal letter and change to Tariff Number 7, Item 230, for a pass-through disposal-only rate increase. The change is an increase in the tipping fee at the San Juan Transfer Station from \$160.00 per ton to \$179.00 per ton.

Attached please find a letter from Lautenbach Industries notifying us of an increase in their rates. The effective date for this increase is October 22, 2018.

This change in tipping fee will affect only the pass-through disposal fee for a few of our drop box customers. No customer rates for residential service or commercial containers will increase.

Notices will be mailed to our customers in our October billing as outlined in WAC 480-70-271(2).
