Re: TV-180777- Voluntary Cancellation of THG068275 and Dismissal of Permanent Application TV-180515

Dear Laulima Services, Inc.:

On September 6, 2018, Laulima Services, Inc. requested that the Washington Utilities and Transportation Commission (Commission) cancel its household goods moving permit because Laulima Services, Inc. is no longer operating as a household goods carrier. Laulima Services Inc. would like to retain the portion of their household goods moving permit that allows them to transport non-household goods.

Based on the request, the Commission **cancel**s THG068275 and dismisses the permanent application TV-180515 and grants Laulima Services Inc. a Common Carrier permit, CC068275. Laulima Services, Inc. must **cease** all operations associated with the household goods moving permit. If you advertise or operate as a household goods mover without a valid permit, the commission may take enforcement action against you.

Please note: You must submit an annual report for that portion of the year in which your company operated. You must also pay the annual regulatory fee if you discontinue operations after the reporting year ends (December 31). If you have questions about annual reports and/or regulatory fees, please contact Benjamin Sharbono at benjamin.sharbono@utc.wa.gov or 360-664-1228. For all other questions, please contact licensing staff at 360-664-1222 or transportation@utc.wa.gov.

Sincerely,

Suzanne Stillwell
Licensing Services Manager
