RE: Commodity Adjustment for Tariff Number 9.3, Certificate Number G-98, City Sanitary, Joe's Refuse, White Pass Garbage.

Dear Mr. Johnson:

Attached please find revised pages for Tariff Number 9.3, as well as supporting documentation for the commodity adjustment. Tariff pages 1, 23, 25, 28 and 29 are affected by this change.

In area RSA-1 the residential and multi-family adjustment will increase from a debit of \$1.94 to a debit of \$2.45, an increase of \$.51 (26%) per customer, per month. There are approximately 60,000 customers affected by this change. In Thurston County Below 142nd the residential adjustment will decrease from a debit \$2.38 to a debit of \$2.19, a decrease of \$.19 (8%) per customer, per month. There are approximately 24,600 customers affected by this change. The multi-family adjustment will increase from a debit \$2.33 to a debit of \$2.35, an increase of \$.02 (1%) per customer, per month. There are approximately 2,000 customers affected by this change.

Due to the volatility in the recycling commodity markets we are hereby requesting a waiver from WAC 480-70-351(2). The calculation uses the most recent six-month historical period to estimate the recycling commodity expense/commodity adjustment for the next six months.

We respectfully ask that this filing be accepted under LSN, per WAC 480-70-276. If the LSN is accepted and these rates are approved by the Washington Utilities and Transportation Commission, the revised commodity adjustment will go into effect on July 1, 2019. Pursuant to WAC 480-70-271(2)(a)(vi), affected customers will receive notification of this change on the billing reflecting the revised rates.

If you have any questions regarding these revisions, please contact me at (360) 695-4923 or via email at heatherg@wcnx.org.

Sincerely,

Heather Garland
Pricing Manager
