COMMISSION

Dear Mr. Johnson:

Frontier Communications Northwest Inc. submits Advice No. 3359, a tariff filing in the Facilities for Intrastate Access Tariff, WN U-16, Section 5.

The purpose of this filing is to increase monthly rates for Dedicated Access, Local Channels, and Private Line services.

Frontier requires revenue in order to recover additional costs associated with maintaining the various seasoned and maturing elements (associated with Dedicated Access, Local Channels, and/or Private Line services) for these very vital services.

Attached are the proposed tariff sheets containing the increased rates and the supporting projected annual MRC revenue analysis for those changes.

Customers are being notified 30 days prior to the rate increases. A copy of the Carrier Customer Bulletin is included in this filing as Attachment B.

Frontier Communications Northwest Inc. considers material submitted under confidential cover protected under the provision of WAC 480-07-160, Confidential information. Frontier considers the worksheets support documentation submitted with this filing confidential and protected under the exemption from disclosure requirements under the Public Records Act, Chapter 42.17 RCW. The cost documentation is marked "Confidential per WAC 480-07-160" and the company may be harmed, for commercial reasons, if this information is not kept confidential by the Commission.

Frontier requests an effective date of November 25, 2019 for this tariff filing.

Pursuant to WAC 480-80-103(4) and WAC 480-80-104(8), I certify that I am authorized to make this filing on behalf of the company. If you have questions regarding this filing, please contact Leslie Zink at (585) 777-4717, or Leslie.Zink@ftr.com.

Sincerely,

Leslie Zink
