Rules and Regulations (Continued)
RULE NO. 3: Application for Gas Service

1. **Special Conditions:** The Company may require a written contract with special guarantee or cash payment from applicants whose unusual characteristics of intended gas consumption patterns would require excessive investment in facilities or whose requirement for service is of a special nature.

2. **Application Requirements:** Gas service may be obtained by:
 1. Requesting service and, if deemed necessary by the Company, signing an application, contract, or service agreement on the Company's standard form(s); and
 2. Conforming with Rule No. 6 and Rule No. 11 if a facilities extension is required; and (C)
 3. If deemed necessary by the Company giving security for payment of gas service to be supplied in accordance with Rule No. 5 governing deposits; and
 4. Conforming with the other applicable requirements of these schedules, rules and regulations.

3. **Limitations to Service:** The Company reserves the right, subject to regulatory authority having jurisdiction, to limit, restrict, or refuse service that may jeopardize service to existing Customers by requiring additions to the Company's distribution system and/or production capacity and/or alterations in its contractual requirements of supply from nonaffiliated companies.
