Description of services offered or services the company intends to offer, including financing models:

North Creek Presbyterian Church is installing solar panels in order to reduce the cost of electrical power consumed by the church facility. There will be no sales to outside customers. Members and friends of the church, as investors, have made loans to the church totaling \$130,628. The loans are evidenced by 6-year notes bearing interest at 5% per annum. The primary source of funds for repayment will be from energy rebates from the State of Washington.

Description of the technical administrative competency (i.e., project management experience) of the principal personnel that the company will use to provide the proposed services:

N/A

Is there any pending litigation against the company? If so, describe litigation giving county and state of filing, case number, and brief synopsis of the issues being litigated:

None

I acknowledge the company's responsibilities under WAC 480-103-135 (Complaints and Disputes):

Yes No

If there have been complaints filed against the company, give evidence of the resolution of any outstanding complaints against the company on file at the commission.

None

Evidence of adequate financial resources (add a PDF of the following):

Current Balance Sheet Current Profit & Loss Statement Latest Annual Report, if any

Evidence of Escrow or trust account where the company will hold advances or deposits collected from customers, project participants or applicants.

Loan proceeds have been deposited in the North Creek Presbyterian Church Solar Account, account #62565917, at Peoples Bank, Mill Creek, WA.

I understand that the filing of this registration application does not in itself constitute registration until registration is authorized by this Commission. I hereby declare and affirm that the information contained in this registration application is true to the best of my knowledge and belief.
