Dear Mr. Johnson:

Attached is a correction to the Schedule X Ancillary Charges for Harrison-Ray Water Company, Inc. This is not a request to increase fees, but only a correction to the increased fees we filed in February 2019. We found that the rule numbers on the Schedule X did not correspond to the rule numbers in the tariff. No other changes have been made to the actual fees on the schedule.

We understand there is a review period of up to 30 days and our tariff should become effective at the end of that time. This water system has been previously regulated by the Commission.

Please call me at 1-509-627-2937 if you have any questions.

Sincerely,
Tom Harrison
Harrison-Ray Water Company, Inc.
