Valued Customer,

This letter is to advise of a rate increase at the North Chelan Transfer Station effective March, 1 2020. Please see the attached resolution for changes.

This is the first rate increase we've passed on since 2013. We do work to keep our rates as low as possible but have experienced an increase in employee benefits and equipment costs we could not fully absorb in the last year.

Thank you for your business and we look forward to continuing to serve. If there are any questions or concerns please feel free to contact me directly.

Best Regards,
