Subject: Waste Management of Greater Wenatchee, a division of Waste Management of Washington, Inc.(G-237); Tariff # 14

Please find enclosed revised tariff pages Title page, 2, 24, 25, 26, 35, 36, 38, 40 and 42 for the above-referenced company. The purpose of these tariff page revisions is to renew the assessment of the Douglas County Collection fee to residential and commercial customers in unincorporated Douglas County. This fee is charged in accordance with Douglas County Solid Waste Collection Fee Ordinance, C.E. 94-014.

As shown on the attached letter from the Countywide Solid Waste Programs of Douglas County (CSWPD), Waste Management's "fair share" portion of the fee for 2020 is \$190,082. This fee is \$1,457 greater than the fee assessed in 2019. However, due to the growth in the customer base and related solid waste tonnages, we are proposing that the fee charged to customers be decreased approximately 13.0% as reflected in the above revised tariff pages.

Enclosed for your review is our accounting workpapers and the letter from the DCSWPD that establishes the fee for 2020. Customers will be informed of this change in the fee on their first invoice after the proposed effective date.

Very truly yours,
