Subject: Cancel Permit due to COVID19

Hello UTC,

This is Earl with Puget Sound Tours, I would like to voluntary cancel my permit due to covid9, I can't afford the insurance premium, I wished I had known this was an option before I was told to renew by my insurance company. My Cert No. CH-65956 and TE-151170. My insurance agent stated if they got notification from you, I would not be required to continue to pay. Please advise if I need to know more information.

Thank you

Earl Alexander
