Re: Review Committee Decision – Case 20-033 Brian Hoback vs.
Green Image Landscape Service

Dear Mr. Johnson:

The Washington State Dig Law Safety Committee received a complaint regarding a potential violation of Washington State Dig Law RCW 19.122.030 for work performed on August 17, 2020.

On January 26, 2021, the committee formed a review board and heard Case 20-033 filed by Brian Hoback against Green Image Landscape Services.

The review board determined that the respondent, Green Image Landscape Services, violated RCW 19.122.030(2); by not providing notice to a one-number locator service less than two days before excavation.

Therefore, the committee recommends a total penalty of \$1000.00 being assessed to the respondent as follows;

A penalty of \$1000 for one violation of RCW 19.122.030(2)

The panel's recommended penalties total \$1000.00 with \$800 deferred on the condition that the owner, Kevin Domingas of Green Image Landscape Service, attends NUCA dig safe training and incurs no additional violations of RCW 19.122 within twelve months of receiving a penalty assessment order.
