GENERAL RULES AND PROVISIONS (Continued)**

**17. DISCONTINUANCE OF SERVICE:** (Continued)

(T)

If a Customer of record initiates discontinuance of service where the service address is different from the billing address and the Company discovers that the service user has no prior notice of discontinuance, the Company shall delay discontinuance at least one complete business day following notice to the actual service user.

The Company will postpone termination of service for thirty days, or will reinstate service for thirty days if already terminated, upon receipt by the Company of a certificate by a licensed physician which states that termination of service will aggravate an existing medical condition or will create a medical emergency for a permanent occupant of the premises affected. The certificate of medical emergency must be in writing and show clearly the name of the person affected and the nature of the medical emergency.

The Company shall restore service where the causes for discontinuance have been removed and payment has been made of all proper charges due including proper deposit and including the reconnection charge. The Company shall not be required to provide service and may interrupt or discontinue service if all or any portion of its facilities or operating rights necessary to provide service are taken through the exercise of the power of eminent domain or are taken under threat thereof or are otherwise lost, terminate, or canceled.

**18. CONNECTION AND RECONNECTION CHARGES:** The Company shall collect a charge for reconnection of service whenever (1) service has been discontinued for failure of a Customer to comply with these Rules or the Washington Administrative Code, or (2) service has been discontinued for one year or less due to vacancy or any other reason (including seasonal service), and the former Customer or a former tenant (who was a tenant at the time of disconnection) requests reconnection. The Company shall collect a charge for connection of service whenever service is connected at the request of a Customer that is new to the location. The connection or reconnection charge does not apply to connection of new Service Lines constructed under the provisions of Schedule 85. If satisfactory arrangements for payment of all proper charges are made with the Company during normal service hours (7:00 a.m. through 7:00 p.m. Monday through Friday, except holidays), the charge for connection shall be \$24 and for reconnection shall be \$37.00.

18. **CONNECTION AND RECONNECTION CHARGES:** (Continued) If such payment arrangements (M) (T)  
 are made with the Company other than during normal service hours and the Company agrees that |  
 service will be connected or reconnected other than during normal service hours due to Customer |  
 request, the charge shall be \$61.00 for connection and \$74.00 for reconnection, except if service |  
 is to be connected or reconnected during normal service hours, the charge for connection shall be |  
 \$24.00 and for reconnection will be \$37.00. In addition, if such arrangements for payment are |
