E-WASTE – ELECTRONICS RECYCLING PROGRAM

What is E-Waste?

E-Waste is just about anything electricity runs through. E-waste is a popular, informal name for electronic products nearing the end of their “useful life”. Computers, monitors, televisions, and more listed below are common electronic products. Many of these products can be reused, refurbished, or recycled.

Unfortunately, electronic discards is one of the fastest growing segments of our nation’s waste stream. Many components or electronic equipment – including metals, plastic and glass – can be reused or recycled, while others may present environmental hazards if not managed correctly. It’s our goal at LRI to manage this ever increasing waste efficiently and effectively.

E-Waste items with a Drop-off Charge – Accepted at Transfer Station

Televisions
\$45.00 each

Computer Towers

USED OIL RECYCLING PROGRAM

- Use a **clean** container for draining oil from your vehicle, boat or lawn mower. **HINT:** Use a reusable container (5 gallon maximum) with a good lid.
- Puncture and drain oil filters for 24 hours before throwing them in the garbage.
- **Never** mix oil with any other substance. Take solvents, gas, brake fluid, antifreeze, etc. to the Household Hazardous Waste site at the Tacoma Landfill. You may reach them at 253-591-5418.
- Oil containers must be recycled, reused or disposed of properly. Garbage rates will apply to the disposal of oil containers.
- Oil must be in a transferable container.
- Disposal limit is five (5) gallons per trip.
- LRI will accept used oil at the following locations, free of charge:

Purdy Transfer Center • 14515 54th Avenue NW • Gig Harbor
Hidden Valley Transfer Station • 17925 Meridian Street East • Puyallup

RECYCLING

The Recycling Center at Hidden Valley provides self-haul customers the opportunity to recycle their sorted recyclable materials before entering the disposal site. The Recycling Center staff provides individual instruction to customers on proper preparation of their recyclables to maintain high quality and to provide customers with a greater knowledge of the process of recycling.

Aluminum, Steel, Paper, Glass, Plastic, Non-Ferrous Metals, Small Appliances (w/o Freon), and Misc. E-Waste are some of the items accepted at the Hidden Valley Recycling Center
